

Spellings

Well done everyone on your phonics screening check last week. We are having a break from learning our phonics in homework this week and focusing on our high frequency words instead. I have attached the sheet for you. These are the 100 most frequently used words and by the end of year 1 we should be able to recognise and read them easily without segmenting them. We should also be able to spell most of them correctly. Choose a few to check each week. Can you read and write them? Which ones do you still find a challenge?

English

In class we have "travelled to" England and Wales and found out some amazing facts and stories about those places. I would like you to send an imaginary postcard back from one of those places. You will need to draw a famous landmark on the front, such as the London Eye or Cardiff Castle and then write all about what you have seen, eaten or experienced when you were there. Don't forget to add the address correctly!

Maths

My Maths - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

Everyday Maths: Practise telling the time to the nearest hour, describe your day, draw a timeline of your day

Enquiry Homework

Geography / History - Flags and facts! Choose a country from the British Isles. Find out its flag and other fascinating facts about that country such as if it has a national anthem, a national dish, flower or capital city. Can you make and present your findings in an interesting poster that we could display in the classroom?

Learning Log Class 1

Set: 18.06.18

Due in: 02.07.18

**How can we measure Pride?
Our Value is Pride**

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks. **NB.** There is no obligation to complete every homework task. Please treat it like a buffet of learning that you can select from and enjoy sharing learning time with your child. Enjoy learning together.

Your most important home learning is Reading – share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read. It will help to unlock other learning.
