

Spellings

Week beginning 16.04.18:

Words that contain an apostrophe for contraction 's 'll 't

Week beginning 30.04.18:

These 'Need to know' words (also known as Common Exception Words) are not **words** for which phonics 'doesn't work', but they may be **exceptions** to spelling rules, or **words** which use a particular combination of letters to represent sound patterns in a rare or unique way.

WB: 16.04.18	WB: 23.04.18
There's	Breath
Here's	Breathe
Isn't	Busy
Won't	Circle
Can't	Quarter
Couldn't	Straight
I'll	Though
We'll	Thought

Spelling Activities - Bubble Letters

Write six of your spelling words in bubble letters neatly. After you write your words in bubble letters, colour your words with a crayon or coloured pencil.

Spelling Resources

Week beginning 30.04.18: A great website to assist the learning of common exception words.

My Maths

Please log in to your My Maths account to complete your homework set. I can give you your username or password if you have forgotten it.

Remember to use the username: **delabole** and the password: **paper before** you enter your unique pass codes.

Class 3 Year 4 Homework
16.04.18
Due in: Friday 27th April

Please let me know if you need any support or resources to be able to complete the tasks. We will review your home learning together (excluding the Enquiry Homework), in class, on Friday 27th April.

Enquiry Homework – Due Friday 11th May

Using research and what we have learned about Roald Dahl, create a dream jar of Roald Dahl's ideas, stories, characters and thoughts. You could choose to use objects, pictures, writing to present his dreams in a jar. You can choose to draw your dream jar or use an actual jar to put his dreams into. Think about using a range of his ideas and how to represent these.

Reading

Please read aloud to a grown up for 10 minutes, four times a week.

Remember to keep your Reading Record beautifully neat and up to date.

Literacy

Our enquiry question challenges us to wonder about great visionaries and how they aspired to greatness. Can you find out more about Joseph Priestley and **how** he discovered carbon dioxide? Create a fact file about his life and how he made his pioneering discovery. Can you think about how his discovery has affected your life?
