

Spellings

So that we can make our writing the best we can we need to learn the Common Exception Words - you have been practising these weekly all year.

Attached is a sheet of all the words together.

Keep practising them all. **Perhaps you could design a beautiful poster to put on your wall?** Can you find any patterns? Can you put the words into groups? Which don't belong to a group? Could you make up a rhyme to help you spell them?

English

Can you create your own invention?

Make it, draw it or build it. Then write an explanation of what it does and how it works.

Maths

My Maths - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

Position and Direction

Can you write some directions for your journey to school? Or create a treasure map with directions to find the treasure? Don't forget to use words like: clockwise, anti-clockwise, $\frac{1}{4}$, $\frac{1}{2}$ and $\frac{3}{4}$ turns.

Enquiry Homework

DT and Science - Find out who invented the everyday objects that you find in your house. Create a time line for when they were invented. Which was invented first? Which is the most recent invention? You may be surprised by the answer!

Learning Log Class 2
Set: 30.04.18
Due in: 14.05.18

What dreams and visions have shaped our world? - Creativity

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks.

Don't forget to keep reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read. If you read 3 times every week there will be prizes at the end of the term!
