

Class 4 Homework Grid 15.10.18 to 5.11.18

We will celebrate and share your homework and creations on Monday 5th November. Maintain your own high standards of presentation, remembering to carefully stick beautifully completed work into your homework book/folder.

Maths

Use your Mymaths logins to complete the challenges set for you. These are linked to our learning around Calculations and Place Value. Remember, try to better your score to ensure you get the best possible percentage. If you have difficulties logging on at home, there will be opportunities for you to complete this during lunchtimes at school.

Reading - The Spotter, The Cluefinder, The Chatterer

Select ten words or phrases from your own reading book. For each one: collect at least one alternative word or phrase that has the same meaning. Then explain in your own words how the word or phrase has been used by the author. What does it infer? What does it suggest? Why did the author choose it?

English -

In class, we have sharpened our reading skills and immersed ourselves into the story of Beowulf. Capture the drama, courage, horror and action by writing about one of the fabulous parts of the story. Write it in the first person as a witness to the events - as a Great warrior, as Beowulf or even from the twisted and much maligned point of view of Grendel.

Creative Learning ~ Ongoing...

We are continuing to explore the Greek myth of Orpheus and Eurydice. Recreate one aspect of this timeless story book. It could be an artefact, a character or setting.
