

Spellings and Phonics

Keep practising all your high frequency words. Can you make your own poster to help you remember them over the summer? Which are the ones that you still find challenging to read and spell? Remember to spell them correctly on it. Use colours to make the unusual spellings stand out so that you notice and remember them.

English

We have been reading Fables in English. We know the Fox and the Raven, The Hare and The Tortoise and The Boy Who Cried Wolf.

Can you find and discover another Fable to share with the class? Aesop wrote many Fables, do you have a favourite?

Perhaps you could write your own story board to go with a fable with an important message or moral at the end? Can you bring it in and read it to us?

Maths

My Maths - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

Measure objects around your house. Use different ways to measure them like hands or blocks but make sure that they are all the same or your answers will be incorrect.

Can you now measure them in cm using a ruler? Can you put them in order from smallest to largest?

Enquiry Homework

Geography / History - Flags and facts! Choose another country from the British Isles. Find out its flag and other fascinating facts about that country such as if it has a national anthem, a national dish, flower or capital city. Can you make and present your findings in an interesting poster that we could display in the classroom?

Learning Log Class 1

Set: 09.07.18

Due in: 19.07.18

How can we measure Pride? Our Value is Pride

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks. NB. There is no obligation to complete every homework task. Please treat it like a buffet of learning that you can select from and enjoy sharing learning time with your child. Enjoy learning together.

Your most important home learning is Reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read. It will help to unlock other learning.
