

Spellings

We have been investigating different strategies for learning our Year 3 and 4 “need to know words”. Continue to have a look through the word list provided and underline the words that you need to focus on. Begin to use your new spelling strategies to learn how to spell them. You may like to draw “shapes” around the word, create a word pyramid, try “look, cover, check” or make up a mnemonic for the word.

You must include evidence of spelling practice as part of your homework.

We will expect to see you using these spellings correctly in your daily writing, as well as confidently reading them from sight.

Literacy

Using what you have learned so far about the Antarctic - write a description of the setting.

You might choose to capture Antarctica's beauty, isolation, or gather information about it to share as part of your description.

Home Learning

Class 3

03.12.18

Due in: 17.12.18

Please let me know if you need any support or resources to be able to complete the tasks. We will review your home learning together (including the Enquiry Homework), in class, on Monday 17th December.

This year you are responsible for carefully adding your finished home learning to your book. Please do not write onto the coloured paper in your Learning Log, the paper should be used as a colourful backing for your homework.

Enquiry Homework - Due Monday 17th December

Using your learning about Shackleton's journey, create a map charting where he and his crew travelled to. You can choose to present your map in any way you choose, you could draw it, paint it or make a model of it. We will share these together on Monday 17th December.

Reading

Please read aloud to a grown up for 10 minutes, four times a week.

In the next two weeks, choose one of your reading books to review. In your review, include information about the plot, characters, a star rating and who would enjoy it, explaining why. We will share these together on Monday 17th December along with the books we have reviewed.
