

# Home Learning Challenges

Spring 1

Class 1

## Mathematics

Adding by  
Counting  
On

Can you play a board game using two dice? Hold the first number in your head and count on to find the total.

## History

Enquiry

Research the role of an archaeologist and explain what we have learnt about the past from their discoveries.

## English

Story  
Openers

Can you create a story opener that would make me want to read on? Think about how you might capture the readers' interest in the first few seconds of your story.

## PSHE

Friendship

Can you do a kind deed for somebody in your household and somebody at school? I wonder what kind deed it might be? Will they know it was you?

## Physical Education

Catching  
Skills

Can you play the catching challenge at home with a small ball? Start with 10 baby throws, then 10 medium and then 10 whoppers. Remember; if you drop the ball, to go back to baby throws. Can you get to whoppers?

Due Date: 21<sup>st</sup> January 2019
