Home Learning Challenges

Year 1

17th September 2018

Mathematics

Numbers in different forms.	Can you record the numbers 0-10 in as many different ways as you can? You could draw items, use a tally, record dice pictures or have a go at writing the words.

Phonics

Phonic Fun	Teach another person some of the rhymes we have been learning from our new Phonic Scheme.
Application	Use your phonics to write a letter to someone from our miniatuture field kingdom.

Physical Education

Fitness	Can you make a family fitness challenge? Set up your challenge, make the rules and then have a go at competing! You might like to stick a photograph or your written rules into your homework book.

Enquiry

Minibeasts	Can you have a go at classifying some minibeasts? Which ones have wings? Which don't? Which live underground? Which don't? Which give birth to live babies? Which lay eggs? Present this in whichever way you think is clearest.

English

Familiar Stories	Can you retell the story of "Wild" to your family or friends in a creative way? You might make puppets, create a story book, type it on the computer or even create a story stick.

Due Date:

Monday 1st October
