

Spellings

So that we can make our writing the best we can we need to learn the Common Exception Words - you have been practising these weekly all year.

Attached is a sheet of all the words together.

Keep practising them all. Perhaps you could design a beautiful poster to put on your wall? Can you find any patterns? Can you put the words into groups? Which don't belong to a group? Could you make up a rhyme to help you spell them?

Enquiry

Become an explorer! Use your creative skills and your imagination to go on an adventure. How did you get there?

Where did you go? What did you take with you? What was your destination like?

You can share your adventure in any way you like. Use your wisdom to think carefully about how your ideas will link together.

Maths

Create a time diary. You can include anything from brushing your teeth to going horse riding. Pick what you like but make sure you check a clock, so you know when it happens.

Remember to keep practising your times tables on Times Table Rockstars or My Maths. Ask your teacher for your log in details if you can't remember them.

English

Write a postcard to someone in your family. Can you post it and see if you get a reply? Or you could write a postcard to Miss Whymer, Miss Piper or Miss Florence. Can you make the reader laugh like Sunny in our Guided Reading book Meerkat Mail?

Class 2 Learning Log

Due in: Reading daily

Spellings weekly

Maths biweekly (1.07.19)

Enquiry and English termly
(19.07.19)

How have we learnt
from the past?

Value: Wisdom

Class 2, Summer 2,
2019

Please let me know if you need any support or resources to be able to complete the tasks.

Your most important home learning is Reading - it will help to unlock other learning. Share a book at bedtime, learn some facts in a non-fiction book, read a story with expression, act it out. Don't forget to write down in your reading record every time you read and bring your book to school.
