

Spellings

We have decided to review our Need to Know words for spellings this term. We will review these on a Friday where we will choose 10 in order to use within sentences. Your Need to Know words are on the reverse of this sheet

As part of your practice, please put your words into sentences to show you understand what they mean. Remember to try your joined handwriting when practising these words.

Enquiry- Honesty

Do a painting/ drawing/ collage of the Gingerbread Cottage with you in it, what are you doing... are you eating the sweets or not? Be honest!

Science

Go on a Materials Treasure Hunt around your home. Write down what properties each material you find has. Test out some materials, are they all waterproof? Magnetic?

Maths

My Maths - New tasks have been set for you. Log on and have a go, I have stuck your login details onto your home learning journal. Remember that you can access the online lesson if you need help.

Maths Challenge

In Maths this week, we have been using coins to pay for items. We have worked out how many different ways we can pay for one item. E.g. how many different ways to make 45p. Over the weekend, can you find an opportunity to apply what you have learnt? For example, you could visit your local shop and buy some items. What change would you get? Make or write something for your Learning about how you used money. You could include a photo and receipt.

Class 2 Learning Log

Due in: Reading daily

Spellings weekly

English and Maths biweekly (14.02.19)

Enquiry and Science termly (14.02.19)

How are there always
two sides to a story?

Value: Honesty

Class 2, Spring 1, 2019

Please let me know if you need any support or resources to be able to complete the tasks.

Your most important home learning is Reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression, act it out. Don't forget to write down in your reading record every time you read. It will help to unlock other learning.
