

Please learn your words for our  
Nativity if you have them!

## Home Learning Challenges

Autumn 2  
Year 1

Please learn your words for our  
Nativity if you have them!

### Mathematics

Place Value

Can you partition a range of numbers into tens and ones? How many tens? How many ones? Can you do the same with hundreds?

### PSHE

Being in  
'the pit'

Can you think of a time when you had to really persevere? What were the challenges? How did you overcome them?

### English/Enquiry

Word  
Shower

Choose your own animal, draw it and surround the animal with adjectives (spotty, fluffy) to describe it, and write the verbs (hunt, jump, leap) to show what the animal might do.

Find out more about verbs here:  
<https://www.bbc.com/bitesize/articles/zpxhdxs>

### Computing

Snowflakes

Snowflakes are really special. Can you research snowflakes and find out what makes each one so, so special?

### Physical Education

Winter  
Wonderland

Can you make a winter dance? You could use snowflakes or stars to inspire you. You might like to join a friend and have some fun choreographing together.

Due Date: 17th December 2018
