(One more, one less, counting on a number line, counting forwards and backwards)

### Notices

- We would like to welcome you all to your new school and hope you have a very exciting first week. We hope to get you all logged on to Tapestry as soon as possible so please bear with us.
  - There will be a home learning grid for this term which will contain activities linked to our class learning that you could practise at home. Look out for it in your child's book bag.
  - Please make sure your child has a PE kit, spare clothes, wellies and coat in school at all times. It would be really helpful if you named all items.
  - If there is anything you are unsure of or would like to talk to us about please feel free to catch us at the end of the day. Obviously you can catch us in the morning if you need to pass on a quick message.
  - Please make sure you inform the office if anyone different will be collecting your child at the end of the day. In order to safeguard the children we will not let them go without this message.
- Thank you for supporting your child's smooth transition into school.
