

## Class 4 Homework Grid

Mon 18.06.18 to Mon 02.07.18

We will celebrate and share your homework and creations on

Monday 2<sup>nd</sup> July.

### English - Reading, Drama, Music

We have now begun to rehearse our play - Oliver Twist - with vim, vigour andchutzpah. The children have received the cast list and are getting to grips with their individual lines, stage direction and cues. However, the ultimate success of our play depends on the sum of all its parts. Everyone will need to know every word, verse and note off by heart for it to be as magnificent as is possible. Over the next two weeks, dedicate yourself to rehearsing your lines and singing each verse of every song with expression, passion, enthusiasm and utter commitment. ~~Complete the~~ My Maths tasks that you have been set. The focus will be on Geometry and Angles in order to consolidate our current learning in the classroom. If you need access to the computer then this can be arranged over lunchtimes in school.

### Creative Learning

Choose either an object, a building or a character from Charles Dickens's novel, Oliver Twist. Using whichever medium you so please, creatively recreate that person, place or thing in your own inimitable style.
