

## Spellings

Keep practising all your common exception words using your poster. Which are the ones that you still find challenging to read and spell? Can you make a list and practise those ones a little every day? Remember to mark them off your list when you begin to feel confident that you know them. At the end of the week have another look at your poster. Do you still find the same ones difficult or did your practise work?

## English

### Can you be a travelling troubadour?

Find a short myth or story that originates in either England, Ireland, Scotland or Wales. Try to learn it off by heart so that you can retell it to a friend. Draw a story map to help you.

## Maths

**My Maths** - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

### Multiplication and Division

Practise and learn all your x2, x5 and x10 tables so you can say them off by heart. Challenge - learn your x3 tables too!

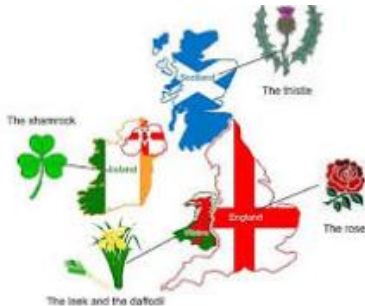

Year 3 - learn your x3, x4 tables so you can recall them quickly.

Challenge - learn your x8 tables too!

## Enquiry Homework

**Geography / History** - Flags and facts! Chose a country from the British Isles. Find out its flag and other fascinating facts about that country such as if it has a national anthem, a national dish, flower or capital city. Can you make a presentation to share your findings in an interesting poster that we could display in the classroom?

Homework  
Class 2  
Set: 04.06.18  
Due in: 18.06.18

**Our Enquiry Question for Term 6**  
**How can we measure Pride?**

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks.

Don't forget to keep reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read.
