

## Phonics and spellings

In Year 1 we are continuing to prepare for our phonics screening check in June. I have included a sheet of all the alternative graphemes and phonemes that we will need to know. Have a look through the sheet. Which are the ones that you find a challenge? Can you teach a parent all the different graphemes and their corresponding sounds? Can you recognise the "best bet" rules for using them?

## English

Can you write instructions for something we do?

It could be getting ready for bed, putting on a coat, making a cake, building a model. Remember to include the features of instructions:

- What you need
- What you do
- Numbered steps
- Time conjunctions (first, next, then, after, finally...)

## Maths

**My Maths** - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

### Money

Practise some money problems at home with real coins.

Can you name and sort the coins in different ways, maybe by colour, shape, greater or less than 20p? Can you put them in order of size, then in order of their value from the least to the most?

## Enquiry Homework

**Be an artist** - Leonardo Da Vinci was famous for his paintings and sketches. Could you find something that captures your interest that you could sketch or paint? It could be a portrait of someone you know, a sketch of an animal or a plant or even a scene of an event like his painting of 'The Last Supper'.

Learning Log Class 1

Set: 14.05.18

Due in: 25.05.18

**What dreams and visions have shaped our world? - Creativity**

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks.

Don't forget to keep reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read. Our reading reward scheme continues this term.
