

Class 4 Homework Grid 03.06.19

We will celebrate and share your homework and creations on Monday 20th June. Remember that you can use any paper you need from school and then carefully stick your beautifully and proudly completed work into your homework folders.

Maths

Create, write down and then solve five of your own word problems. Use as many different operations as possible or fractions.

Remember to log into Mymaths to check for homework and Time Table Rock Stars to improve your times.

Reading

Continue to read for at least twenty minutes at least four times a week. Across the week there will be opportunities to share your book with the class.

English - Research

Many words, phrases and sayings that we use today were original written by William Shakespeare and performed in his plays. Use the internet to find and collect as many of these as you can. If necessary, write down what they mean.

Creative Learning

Our performance this term will be A Midsummer Night's Dream by William Shakespeare which is set amidst a magical forest beneath the moonlight. Draw, build or cook a scene for the play and if possible include some the characters. Be prepared to explain your beautiful portrayal.
