

Phonics

Keep practising all your phonemes and graphemes using your poster. Which are the ones that you still find challenging to read? Can you make a list and practise those ones a little every day. Remember to mark them off your list when you begin to feel confident that you know them. At the end of the week have another look at your poster. Do you still find the same ones difficult or did your practise work?

English

Can you be a travelling troubadour?

Find a short myth or story that originates in either England, Ireland, Scotland or Wales. Try to learn it off by heart so that you can retell it to a friend. Draw a story map to help you.

Maths

My Maths - New tasks have been set for you. Log on and have a go. Remember that you can access the online lesson if you need help.

Place value and number squares

Using the number square provided can you count to 100 in 1's, 2's, 5's and 10's? Teach a member of your family the game "guess my number" using a number square.

Remind them to use the language "more, less than, bigger, smaller, equal to, tens, ones, digits".

Enquiry Homework

Geography / History - Flags and facts! Chose a country from the British Isles. Find out its flag and other fascinating facts about that country such as if it has a national anthem, a national dish, flower or capital city. Can you present your findings in an interesting poster that we could display in the classroom?

Set: 04.06.18

Due in: 18.06.18

How can we measure Pride?

You will have two weeks to complete the home learning tasks. Please let me know if you need any support or resources to be able to complete the tasks.

Don't forget to keep reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression. Don't forget to write down in your yellow book every time you read.
