Enquiry - Geography

Collect fruit and vegetable packaging that shows the country that the food comes from. Look at the world map - can you find the countries?

Extra challenge: Use a World map and label the countries with the food from that place. Can you find out which countries grow particular plants for food e.g tea, coffee, sugar?

Maths

Please bring the maths homework sheet back into school in the plastic wallet provided by the 3rd May.

English

Create a Kindness Diary. In this diary record any Random Acts of Kindness you have done for someone or any you have seen someone else do.

The Random Act of Kindness could be for a person or for our environment, for example attending a beach clean.

Science - What are plants used for?

Look around your house and see how many things you can find that are made from trees or plants.

Draw the things you find and label them.

Extra challenge: Can you find out how a few of the things you found were made?

Please let me know if you need any support or resources to be able to complete the tasks.

Your most important home learning is Reading - share a book at bedtime, learn some facts in a non-fiction book, read a story with expression, act it out. Don't forget to write down in your reading record every time you read. It will help to unlock other learning.
