

Home Learning Challenges

Spring 1

Mathematics

Addition and subtraction	Can you use your toys at home to create different addition and subtraction number sentences?
Recording numerals	Using the number formation songs can you record a number line 1-10 or 1-20?
Length and height	Can you order your family members from the tallest to the shortest? Using your toys can you order them longest to shortest?

Topic

Wanted picture	Can you make a wanted poster for a misjudged character e.g. The fox, the giant?
Pre-historic	Can you draw a picture of your favourite dinosaur and write a label?
Fossil hunt	Can you go out in the garden and dig for fossils?

Literacy

Traditional stories	Can you read your favourite traditional story in an unusual place and get an adult to take a picture?
Characters drawing	Can you draw a picture of your favourite traditional story character and write a label?
Puppet story telling?	Can you make a puppet and retell a familiar story?

Phonics

I	the
he	she
me	we
be	was

Digraph Recognition	We have now learnt all the phase 2 and 3 sounds, can you use your phonics sheets to teach family members the sayings and actions.
Need to know words	Using the need to know sound mats, can you recognise and read the different need to know words?
Caption writing	Using your phonics resources can you write a simple caption e.g. the goat Remember your finger spaces.

Physical Development

Fine Motor	Can you teach a family member the handwriting sayings and write different phonemes?
Self-care	This term the children will be going swimming, please encourage your child in becoming more independent with drying and changing themselves after bath/shower time.
Gross Motor	Swimming: can you as a family go swimming and build up your water confidence?

Please continue to support your child with their home learning and share any exciting learning and events on Tapestry.
