

Spellings

Each child will have different spellings to learn linked to their learning from class. We will review these regularly but not in a formal test. Your child's spellings will be stuck into this book every two weeks.

As part of their practice, please put words into sentences, using joined handwriting, to show understanding.

Class 2 Learning Log

Reading daily

Spellings and Maths bi-weekly

Enquiry Thursday 5th March

Homework club runs every week for whoever may need extra support. Computer access is available then.

Enquiry

Use your creative skills to make a hat for our World Book Day Mad Hatter's Tea Party.

You can design your hat to represent one of the characters from Alice in Wonderland or create it to tell something about the story.

Perhaps you can be eco-friendly and reuse things you already have at home to make your hat?

Make sure it fits so that you can wear it to the tea party!

How are we looking after the world for future generations?

Value: Responsibility

Class 2, Spring 2, 2020

Please let me know if you need any support or resources to be able to complete the tasks.

Maths

Each child will have an appropriate My Maths activity linked to their Maths learning from class. Please watch the teaching video for support.

Remember to keep practising your times tables on Times Table Rockstars as well.

Log in details for both are at the back of this book.

Reading

Your most important home learning is Reading - it will help to unlock other learning - read your schoolbooks, enjoy your library/ book corner book. share a book at bedtime, learn some facts in a non-fiction book. Don't forget to write down in your love reading journal every time you read and especially when you finish your book, now and again there will be sticker prompts (like, read a story with expression, act it out etc) to inspire you! Enjoy and remember imagination is free!
