## Delabole Community Primary School

### Newsletter December 2021

See this newsletter and more on our school website [www.delaboleschool.org](http://www.delaboleschool.org)

Dear parents and carers,

We have raced through what has undoubtedly been a great term's learning. There have been excellent experiences for everyone including a visit from the fabulous fire engine, a trip to The Maritime Museum in Falmouth, much needed weekly swimming lessons, stunning recreations of London's building through time and a journey around the solar system in a Space Dome. Moreover, the school has continued to thrive safely and happily in the face of a little adversity and some uncertainty, I think it is fair to say as a united community we have once again stood firm and together for our children.

#### **Christmas Tree**

Thank you to Rob Dagley for kindly donating the fabulous Christmas tree and to Rosie and Mia for helping prepare the base.

#### **Cycling**

A huge well done to the Y6 pupils who successfully completed their cycling proficiency award in the past few weeks. Managing to stay upright and dry in the whopping winds and driving rain was certainly quite a feat. With so many children choosing to ride to school, we feel it is really important that children understand and know how to keep themselves safe on the roads. A big thank you to the parent volunteers that supported Mr Brook in the delivery. Without support these opportunities will not be possible.

#### **Christmas lunch**

Christmas Lunch will be on Wednesday 15<sup>th</sup> and children are invited to replace their school jumper and wear a Christmas jumper on this day, usual school uniform still applies please. Donations will be for the Cornwall Air Ambulance please.

#### **Christmas Party**

We break up on Friday 17<sup>th</sup> December at the usual time of 3pm/3.15pm. In the afternoon, we will be holding class Christmas parties. Children are able to wear non-school uniform on this day.

### **Christmas Performances**

The school has been filled with the sound of Christmas and our performances are almost all complete. Reception class will be performing their nativity in the final week. Keep an eye out on our social media channels for some trailers and then take some time to enjoy each of the classes' presentations on Seesaw. Remember that parents and carers can also now create their own account using Seesaw for Families app using the passwords we have previously sent out.

### **A Merry and Safe Christmas**

It is such a special time to come together in person and in spirit with our nearest and dearest. We wish a Happy Christmas to everyone across our special community near and far.

### **Return to school**

We look forward to seeing everyone back on Tuesday 4<sup>th</sup> January 2022.

### **Key Dates**

Week commencing 13 <sup>th</sup> December	Last swimming sessions
