

Age Range: Foundation

This week's Home Learning is an opportunity for the children to become explorers and travel into the rainforest.

As always, the Home Learning is here to provide you with ideas, there is no pressure to complete all the activities. Do what works best for you and your family. Continue to log in to Tapestry and share pictures, I love seeing all the lovely things you are doing. I will continue to add stories and activity visuals to support you further.

Mrs Dickinson

Weekly Reading Tasks	Weekly Phonics Tasks
Monday- Watch <u>Go Jetters: Amazon Rainforest</u> . Can your child tell you where the tree frog was found? What sound did it make? Which rainforest insect steals the picnic? What happens when the tree frogs aren't there to eat the ants?	Monday- Ask your child to find different things around the house/garden. Can they segment each word into sounds i.e. c-u-p (cup), b-e-d (bed) t-ea (tea), ch-air (chair)? If they are able, they could write these too.
Practise reading the following words. Write them onto flash cards to use at home. Focus on the following Red words: me no put be are Throughout the week see if you can write and read these words. Can you create any games using these words?	 Daily Phonics Focus sounds: ng- Fred talk: day, hay, clay children blend. Write words for children to read: sing, wing, ring encourage the children to spot the special friends. Write alien words for the children to read: ming, fung, beng Encourage children to spot special friends. Children practice writing 'ng' use sound mat to support handwriting patter. Fred talk words for children to write, encourage them to show Fred Fingers (tell them how many sounds are in the word), get them to pinch the sounds and then write the word. Words for writing: king, song, rang, bang Encourage the children to tick and fix. Follow this format for each focus sound. To support you in delivering daily phonics please explore the following website: https://www.ruthmiskin.com/en/find-out-more/parents/. You will find a short video which clearly shares how each sound should be pronounced. It would be great to see any phonics learning/games on Tapestry. Please refer to flash cards if you need them, which have been uploaded.
Tuesday- Help your child to look through cookery books for a recipe involving cocoa/chocolate. If you have the ingredients, make the sweet treat! If you don't	Tuesday- Think of words to describe the rainforest animals - each word should start with the same letter i.e. m ad, m unching m onkey or large, loving lion.

have the ingredients, get your child to write a shopping list using their phonic knowledge. Read key words for this week (see Monday)	Daily Phonics: Focus sound: ow (blow the snow) ow words for blending, reading and writing: glow, snow, throw, grow, throw, bow, low, blow slow, row. Alien words: gowf, mowz, pown
Wednesday- Ask your child to use pictures from a familiar story book to make up their own jungle themed story or to retell their favourite story. Read key words for this week (see Monday).	 Wednesday- <u>Daily Phonics</u> - Practise the sounds your child is working on and blend words. This can be oral blending (e.g. spoken out loud a-n-t) or written. Play s,a,t,p,i,n read and race to support confidence and fluency- see end of pack. Daily Phonics: Focus sound: t t words for blending, reading and writing: tin, fit, ten, pet, kit, rat, tick, took, wet, vet, toy, tap, bat Alien words: tef, tuz, tal
Thursday- Enjoy listening to online stories together including: <u>Slowly Said the</u> <u>Sloth</u> Look out for a story on Tapestry. Read key words for this week (see Monday).	 Thursday- Play 'I Spy in the Rainforest'. '<i>I spy, with my little eye, something beginning with t</i>'. CHALLENGE: Change it to '<i>I spy, with my little eye, my word includes the digraph ee</i>' - 'Tree'. Daily Phonics: Focus sound: oo (Poo at the Zoo) oo words for blending, reading and writing: boo, mood, food, zoo, doom, boot, toot hoof, zoom, moon Alien words: gooz, gool, moof
Friday- Enjoy listening to online stories together including: <u>The Tiger Who Came</u> <u>To Tea</u> . If you look on the Tintagel school website or facebook page, you will find Mrs Cox and all the staff reading a very special version of this story. Read key words for this week (see Monday).	 Friday- Play the Word Machine - Ask your child to read each word carefully. Match the correct word to the picture. If you get it right, you will hear a clap. Click 'Next' and have a go at another word. Daily Phonics: Focus sound: d d words for blending, reading and writing: dig, den, day, good, duck, dog, dress, mud, dart, dirt Alien words: gid, doy, deeg
Weekly Writing Tasks	Weekly Maths Tasks- Number Recognition and Counting
Monday- Say or write a list of all the animals you would find in the rainforest. CHALLENGE: Can your child think of an animal for each letter of the alphabet e.g. a=alligator, b=bird.	Monday- Use this <u>tens frame</u> to practise making different amounts. Or, your child can practice making amounts to 10 using different objects from the garden e.g. leaves.

	White Rose Weekly Maths White Rose Maths -click for Summer Term guidance.
Tuesday- Click here to watch <u>Go Jetters</u> Amazon Rainforest, South America Talk about the rainforest with your child and ask: What can you see? What can you hear? Ask your child to draw a picture of the rainforest and write a sentence about what they can see or hear.	Tuesday- Encourage your child to think about where we see 6,7,8 in everyday life and make collections of 6,7,8 objects. Draw a part-whole diagrams with one of the parts or the whole missing to represent different ways of making 6, 7 or 8. Image: Mathematical Content of the parts or the whole missing to represent different ways of making 6, 7 or 8. Image: Mathematical Content of the parts or the whole missing to represent different ways of making 6, 7 or 8. Image: Mathematical Content of the parts
Wednesday- Use this <u>animated letter formation tool</u> to help your child practise letter formation. You can select those they find most challenging. Practise writing your first name and your surname. Practise writing the following letters, can you write them onto a line? r,a,i,n,f,o,r,e,s,t,. Take care with the letter 'f' make sure the 'tail' comes below the line.	Wednesday- Play this Ladybird Spots-Counting, Matching and Ordering Game. You can tailor the difficulty to your child's level. How many legs does the ladybird have? How many spots? Use counters to add 6 spots to the other ladybirds. Can you find more than one way to do it? White Rose Weekly Maths White Rose Weekly Maths White Rose Meekly Maths
Thursday- Using the story <u>The Tiger Who Came To Tea</u> , draw a picture of the tiger and label the picture using words to describe him e.g. stripy fur, sharp teeth.	Thursday Go on a mini beast hunt. How many legs can you see? Make drawings of the creatures you find. How many legs did you find? Try writing you own number sentences to represent the total numbers of legs. e.g 1 spider plus I ladybird = ?? legs
Friday- Ask your child to create a rainforest animal mask then talk about the sounds that different animals make. CHALLENGE: Can they write a sentence to	Friday- Use a teddy and count forwards and backwards making deliberate mistakes. Can your child spot the mistakes? Mistakes can include omitted

describe the animal. Remember your child will sound out words and write them phonetically, apart from red words. *e.g.* I like the munkee (monkey). He is cheekee (cheeky). He jumps in the trees.

numbers, repeated numbers or a number in the wrong place. CHALLENGE: Ask your child to spot the mistake when the numbers are written down. <u>White Rose Weekly Maths</u> <u>White Rose Maths</u> -click for Summer Term guidance.

Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about the world's rainforests. Learning may focus on the plants, animals and insects that inhabit the rainforest, food that originates there and weather patterns. It could look at plants and animals that can be found in the garden too.

Which Animals Live in the Rainforest?

- Watch this <u>video</u> about animals in the rainforest. Can your child tell you about some of the animals that live in the rainforest? Can they remember any facts? Can they describe the animals?.
- Ask your child to make their own explorers outfit (e.g. binoculars, sunhat, backpack) and head out to the garden or on your daily walk. What creatures can your child find? Are they similar to any you might see in the rainforest? Take photographs.

Draw or paint a picture of a Rainforest Animal

• Ask your child to draw or paint a picture of a rainforest animal.

Play the Animal Jungle Quiz

- Listen to the clues. Can you match the clue to the correct animal?
- Click here to create your own jungle. Drag the animals onto the picture. Where do you think the animals should go? Why? i.e. on the ground, in the trees...

Make a Collage of a Rainforest Animal

• Use collage to create your own rainforest animal using recycled materials from around the house.

Make an Animal Home

• Create an animal home e.g. a bug hotel using things from the garden. Use a plastic tub or cardboard box. Ask your child what the animal will need in the home in order to survive.

STEM Learning Opportunities #sciencefromhome

Rainforest Materials

• A rainforest has lots of tall trees and grows in warm countries that have a lot of rain. People use the wood from the trees to make paper and furniture. They also take lots of ingredients like sugar and oil to make food. Here you can find a list of food and ingredients that grow in rainforests.

What plants can we find in the garden? Can you name the different parts of a plant? Stem, leaves, branches, roots, flower? Try using some of the material found in your garden to make something useful. For example, a nature paint brush.

Paintbrushes - Painting with flowers and nature w to make DIY nature paintbrushes. A simple stick craft and tdoor process art idea for kids. An easy activity for toddlers eschoolers and older kids. to show how it wen Add photo

Mindfulness - Helping your child to have some focused mindfulness time is a great way to help them cope with any difficult feelings or emotions that they might be experiencing at the moment. Mindfulness activities also contribute to brain health and general wellbeing. Start with short amounts of time and build up as your child develops the ability to be still, calm and quiet.

You can use this rainforest music or sit outside in the garden with the sound of nature around you as your focus. Have your child sit or lie down in a comfortable position with their eyes closed. They might like to use a snuggly blanket, a cuddle toy or a cushion so that they feel cosy, safe and relaxed. Ask them to close their eyes and say still. All they need to do is listen to the music / sounds of nature. If any thoughts pop into their head, you can tell them that the thoughts are just like clouds and float away. Every time a thought comes along, just let it float away like a cloud and continue listening to the sounds. You can do this for 2 or 3 minutes every day, or for as long as your child feels able to focus.

Additional learning resources parents may wish to engage with

White Rose Weekly Maths White Rose Maths -click for Summer Term guidance

Numbots. Your child can access this programme with their school login.

IXL Click on Maths, Reception. There are interactive games to play and guides for parents.

Talk for Writing Home-school Booklets are an excellent resource to support your child's speaking and listening, reading and writing skills.
